Member Meetings are a very good way to get to know your fellow MBXers better. Member Meetings have several benefits that cannot be achieved in any other way. They include: 1) Deeper knowledge of the products MBXers provide, 2) Awareness of what experience MBXers have that qualify them to sell their product, and 3) Development of greater trust and relationships that go beyond just business referral.

Remember that Member Meetings should be about the other person.

These are good reasons to schedule Dance Cards. It will increase the value of your MBX membership threefold.
